COURSE 'FREEDOM IN CHRIST'

January – April 2023

Everyone has a longing for “freedom”. God created us to be free and to respond freely to his love.

Ultimately, only Jesus Christ can really set us free, as we read in the Gospel of John: "If the Son sets you free, you will be free indeed" (Jn 8:36).

The history of each individual is part of the history that God writes through him or her. However, there can be obstacles that prevent living the child-of-God freedom in freedom.

In January 'Freedom in Christ' will be offered again. The course is done in 8 online sessions and two physical meetings on Saturday. An introduction is given, after which the theme is discussed further in small groups.
